Dear Sir / Ma,

August 3, 2011.

1. **5TH NIGERIAN DREDGING SUMMIT CALABAR: INVITATION /NOMINATION OF YOUR DELEGATES.**
2. **DREDGE MASTER, ENGINEER, ELECTRICIAN REFRESHER TRAINING.**
3. **BASIC SURVIVAL AT SEA AND USE OF LIFE-SAVING APPLIANCES INDUCTION COURSE.**

Further to earlier letters on above subject, we wish to remind you to speedily conclude the nomination process for your delegates to the summit in view of the fast approaching date of the event.

Secondly, please note that two skill-acquisition training courses will be mounted to round off this year's Nigerian Dredging Summit. These are a **Practical Dredge Appreciation And Safety Procedure Training** and **Basic Survival At Sea and Use of Life-Saving Appliances** for all staff working onboard dredges / houseboats / tug boats or other marine-related assignments.

We have secured the services of a competent Dutch dredge master with over 40 years hands-on experience, **Mr J. D. Jonge**, who would handle both tutorial and practical aspects of the two essential courses. The details of these courses and the resource lecturers are contained in attachment. All nominations for your staff to be considered as students in these classes must reach us as soon as possible.

Highlights of the events are as follows:

1. 5th Nigerian Dredging Summit, Calabar:

Venue: The Mirage Hotel, Calabar, Cross River State.

Date: September 14 – 16, 2011 (Wednesday – Friday).
